Dear Matthew

RE. Bartons Road, Havant

We confirm receipt of an updated Architectural site plan reference "M9437_APL003_N_Proposed Site Plan Helmsley Care". We note the drawing captures revisions to the internal non-adopted road design, reconfiguration of some parking bays, amendments to the proposed road levels and bin store location amendments.

On reviewing the changes in respect impact upon existing trees and associated RPA's, we note these to have no impact. An updated Tree Protection Plan drawing dated 02/02/24 can be found in Appendix 10 within the enclosed "Arboricultural Impact Assessment Method Statement & Tree Protection Plan (to BS:5837 2012)" report dated 02nd February 2024. I hope this is helpful, but please let me know if I can help further.

Yours sincerely

Trevor Heaps (BSc, MICFor, M.Arbor.A)
