Case Officer Emma Chisnall

Madam

Planning Application No1 Fairlea Road. Your Ref: APP/16/00387

I would like to comment that I had no knowledge of the development until work commenced.

The bungalow has been provided with a second floor having new dormer windows facing and overlooking my property.

I am of the opinion that high elevations and alterations to the roof are out of keeping with Fairlea Road and are visually obtrusive.

I am most concerned about loss of privacy and ask that all measures are taken to protect the privacy and amenity the value of my home.

I therefore advise you of my objection to the application

Thank you for your attention this matter.

Yours faithfully,

Mrs G Davies
