

REF. APP/21/00353 16 Selborne Avenue, Havant PO9 4PA

Dear Mrs Pickup.

With reference to the planning application for Selborne Avenue, I am still of the same ~~opinion~~ opinion as last time. I feel a new build will overshadow my property blocking my light and privacy. I still feel that the garden space allocated for the new build is far too small for a garden for a family home.

I have the same objections from the last applications and hope you will take these into consideration.

Many thanks.
