F.A.O - Planning Department / Noise Pollution
Department,

I would like to make a formal complaint against The Hayling Billy Pub. I live in a bungalow opposite the rear of the pub, and since they have built this outdoor smoking area and a so called "beer garden" the noise levels of the pub are extremely loud. The noise level of the music from the pub is also really loud, especially at the weekends. The other complaint I have about the Hayling Billy and the customers is the constant shouting and use of very bad language whilst they are outside in the smoking area. I live on my own and often find this use of language and noisy behaviour very.

intimidating, and it would be very much appreciated if you could contact the owners of the Hayling Billy Pub and try and resolve this issue.

Regards,

Mrs Patricia Dancer.
