I live at 1 Brooklands Road Havant within earshot and sight of this proposed development and I wish to object to the proposed development.

I have lived here since 1997.

At present the mini roundabout is stretched to capacity and then some, regularly backing up to the Rusty Cuutter/A3 roundabout. Anything which causes more chaos even in the short term let alone the longer term implications has to be bordering upon madness.

Additionally the current condition of the surface of Maylands Road is a cause for much concern; as a regular cyclist I need to exercise extreme caution to avoid the pot holes.

Parking is already stretched and this development will only stretch it further.

I look forward to hearing your views on this matter at your convenience.

Warmly Jeff lane
