Attn. Mrs.k.Wooden.

Owner of Flat 4 Boxgrove, 392 Seafront Hayling Island.

*With reference to the above planning application the applicant does not own the wall in question,
only the interior walls as per the lease, the exterior walls being owned by the freeholders (i.e. 5 flat owners)
having a 20% share.
Also the lease states no construction or changes is permitted to building.
So i am making you aware of these points, before you make your decision, as it will affect legal documents.*

Yours faithfully

Anthony Smith.
