RECEIVED

25th July 2019

Mrs D. Haywood,
Planning Development,
Public Service Plaza,
Civic Centre Road,
Havant, Hampshire PO9 2AX.

Dear Mrs Haywood,

I am writing in answer to your letter of 15th July 2019.
Ref: APP/18/00724

The planning application by Barnatt Homes to build 195 homes on the field off Smeah Lane. This application was last submitted 12 months ago and the re-submission is almost identical, with just a few cosmetic changes. It should be a new application, with people who did not comment last year informed, plus notices put up in the local area.

I wrote last year voicing the strong opposition on Havling to this planning proposal.
I do not have a computer, so I am writing

② again this year. Our commitment is to ensure that the development does not go ahead.

Reasons to prevent this planning to go ahead.

- 1) 195 houses on a field that floods.
- 2) Reduced area for Brent Geese.
- 3) 195 houses mean, 195 extra cars at least.
- 4) Massive pressure on transport problems on & off Hayling.
- 5) Schools, Medical facilities issues not addressed.
- 6) The roads on the Island are already choked with traffic.
- 7) Negative impact on our beautiful island.
- 8) 195 houses — no employment on the island for so many people.

Yours Sincerely
