Dear Sir,

I am writing with regard to the planning application number APP/17/00656 from LIDL to build a new store at Manor Road, Hayling Island.

I absolutely believe that this would be a positive thing for Hayling Island and would give the islanders more choice to do their retail shopping on Hayling Island.

Taking advantage of much lower prices would be good too, especially for food and popular items that we buy every week.

I therefore would wholeheartedly like this application to be passed/allowed.

Yours Sincerley
