Dear Mr White,

Site Location: 50-52 Creek Road, Hayling Island

Re: Retention of plant/machinery (extraction/refrigeration/ventilation units) to the rear (east) elevation of 50-52 Creek Road Convenience Store. (Retrospective application.)

In acknowledging receipt of the above application I informed you that the target date for determination of the application was 28 December 2015.

I am writing to advise you that for the following reason the Council is unable to determine your application by that date and I am writing to request agreement to the period of determination being extended under Article 34 of the Town and Country Planning (Development Management Procedure) (England) Order 2015.

Reason: An extension of time to allow for an acoustic report to be submitted in order to assess the noise impact of the extracts and potential mitigation measures as set out in the email dated 07.12.15

To extend the period please return, signed and dated, the slip below or alternatively please confirm by email within the next 5 working days. If you wish to discuss this request further, please contact me.

Yours sincerely
