15th May 2016

Dear Mrs Crawford, Thank you so much
for coming to see us last Friday 13th May,
to learn for yourself about our concern
over the proposed two storey side extension
at Highbank, Northwood Lane.

We realize that we have few
grounds for objection but should like
to point out that it is a disproportion
large and high extension very close to adjoining
our border.

It will destroy the present outlook
from our kitchen/diner and bedroom

and severely restrict the daylight-
entering these rooms.

We should like to lodge an
objection based on the above.

It should also be pointed out that-
unless the side elevation is rendered
~~and~~ and painted very quickly we shall
view an unsightly mess for many years.

Yours sincerely

John Smith and Angela Smith
