Dear Mr Ford,

Prior Approval Application ref. APP/22/00028
48 Jessie Road, Havant PO9 3TH

I confirm that I would like to formally withdraw the above Prior Approval application. This is on the basis of the eaves level exceeding 3m in height at the rear of the extension, which is within 2m of the boundary.

A new Householder Planning application will be submitted.

Thank you for your assistance.

Yours sincerely

Graham King MRICS
