

38 Market Parade
Havant
Hampshire
PO9 1QF

22/09/2016

To whom ever it may Concern,

We have been operating at 38 Market Parade as an ice Cream Parlour (Just Dessertz Limited) for approx. 2 years and due to the success of the business we are now looking to change the use of the Shop on a permanent basis. The business offers customers ice creams, waffles, pancakes, Milkshakes and various other desserts and cakes with the option to eat in or take away, approx. 10% of overall business is takeaway. We are a well-established sustainable company that is popular within the community.

We are a small family run business that employs a small team of 6 and believe in the value of small businesses and where we can we source stock and ingredients from local businesses.

We use very little cooking facilities these being a waffle iron, pancake heater and a microwave, the majority of our equipment are fridges and freezers. We currently hold a hygiene rating of 5 issued by the authority and have an established waste collection through Biffa waste. This is due to change in November when we move to Norse where we will be receiving a recycling collection as well as the standard.

We have enclosed a completed application form, 1:100 Scale floor plan, shop layout plan (not to scale), a location plan and the required cheque for £385 for fees. If you require anymore information please do not hesitate to contact myself or [REDACTED]

Many Thanks

[REDACTED]
Shelley Somes
(Director)
