Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Dear Havant Borough Council,

I object to the development of a substantial number of additional house on Hayling Island due to the additional traffic that this will generate on an already overloaded road network in and out of Hayling Island during any point of the day. This number of houses will overcrowd the local schools and medical facilities which seem to already be struggling to cope with the current population. Surely there must be other places with better infrastructure to deal with additional housing.

Regards
