Planning application Ref. 16007

We the undersigned.

object to the proposed application to build two one bed flats on the corner of Palmers Road opposite A.D. Williams unit.

HAYWYK BOROUGH
COUNCIL

- 6 SEP 2016

RECEIVED

The main objection against this planning application is the loss of valuable parking spaces in what is a very busy road at the best of times.

and with at least five take away shops and two restaurants

when 36 is rebuilt in North St, close by, the road is going to get busier than ever.
