4. Description of the Proposed Development

Please describe the proposed development, including relevant information covering noise, odour, storage and handling waste, hours of opening and transport and highways impacts of the development. Where the building is located in a key shopping area, please provide details of any undesirable impact on the sustainability of that shopping area:

I am applying for Change of use, from a shop to a Wine Bar/ Restaurant. There is a tarmac area to the right hand side of the building which is being used to store a unit & boat which will be removed to enable me to have a wooden Gazebo built for customers to eat & drink alfresco. The current tenant who is occupying the premises uses it as a second hand furniture shop. We do not intend to have outdoor music, we will be playing 'Back ground music' indoors only therefore this will not interfere with the local residents. There will be an odour from food being cooked in the kitchen, at the rear of the property, but we will install a Extractor fan to minimise the smells. There is a storage area for waste which will be in a council type container which will be regularly emptied & cleaned. Our proposed opening hours have been submitted to Havant Borough Council for the following: Monday - Saturday 16.00 - 23.58 & Sunday 14.00 - 22.00

Are any associated building works or other operations required to make this change? ☒ Yes ☐ No

If yes, please provide details of the siting, design and external appearance of the building including ventilation and extraction (including the provision of an external flue) and the storage of rubbish:

Inside the building we intend to provide wooden tables, bar area, eating area, toilets & access to the side of the building for entry to the outdoor gazebo

continued:

What is the total floor space to be changed to restaurant and cafes? m2

Has any of the building or land within its curtilage been previously changed under Class C Shops (Class A1), Financial and Professional Services (Class A2), Betting Offices, Pay Day Loan Shops and Casinos (Sui Generis Uses) to Restaurants and Cafes (Class A3)?

☐ Yes ☒ No

If Yes, what was the total floor space changed to Restaurants and Cafes? m2

Development is not permitted if the development (together with any previous development under Class C) would result in more than 150 square metres of floor space in the building having changed use under Class C.
