

Havant Planning Office
2nd July 2019

To whom it may concern,

We understand that you have concerns around the extension our neighbours at 27 The Crescent, Purbrook, PO7 5EU are proposing.

To clarify we didn't object to the original design and can confirm we are happy with the proposal which replaces the flat roof design with a pitched roof which you have indicated you are happy with, with formal plans being resubmitted by Paul Matthews Architect Derek Treagus.

Regards
