Comment Details

Commenter Type: Complainant

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I am 100% against this application to turn a large open site of natural beauty into a potential traveller site and weekend haunt [REDACTED]

No toilets

No bins

Noise

Pollution

Disturbance of wildlife

Damage to Earth Banking

Obstruction of a busy RNLI Station

are all valid objections in my view

Just as important is the lack of circulation to local residents of this proposal, How is it that the RNLI only found out about this by chance and only a couple of weeks ago?

Have the Harbour Board and Chichester Harbour Conservancy been circulated? If so when as it takes weeks for committees to meet and act on these things. #

Why does this not appear in The Hayling Islander or on Facebook where dog walkers etc. can be given the correct option to protest

We completely oppose this application
