Re your request for planning statement letter dated 19/February 2019

Your Ref: APP/19/00192

Property address: 4, Elm Grove, Hayling Island, PO11 9EF

Proposed change of use from A1 to mixed use A1 and D1

The shop has stopped trading as Tibble's Florist and will now be Island Acutherapy and Massage Centre at Tibble's Holistic Emporium, selling holistic gifts such as crystals, candles, dream catchers, incense, cards and wall hangings etc.

The first floor, which has been storage space only, will be used as a treatment area for massage therapy, aroma therapy, reflexology, Indian head massage and foot spa treatments.

The existing office space on the ground floor will be used as a treatment room (Room1) for acupuncture and or any of the above as and when required.

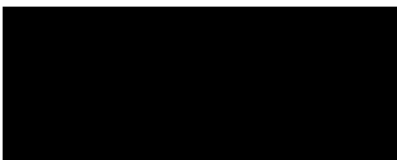

As a well known local corner shop we do not expect footfall to increase.

Parking: there are three public car parks in the immediate vicinity which customers can use and **no onsite parking is available.**

Operating hours would be 9am to 5pm Monday to Saturday (not including Bank Holidays) with the occasional evening treatment no later than 7pm if required.

Please don't hesitate to contact me for any further information

Yours

Mrs D Hawkins.
