Subject: BREGS 15709 Conditional Approval

Hi David,

Following our conversation regarding the development at 36 Havant Road, Hayling Island, Hampshire PO11 0PX - I can confirm that following a consultation with Southern Water we have given conditional approval of your plans. With regards to the concrete slab at the rear of the site, as this has been in place for a number of years, this can remain over the top of the sewer, Southern Water do not have an issue with this. Regarding the proposed garage and cycle storage; having discussed this with our build over team I can confirm that as you are not disturbing the ground or digging new footings for this structure, and it will be built directly on top of the concrete slab, there would be no issue with the structure being closer than 3m to the public sewer.

Kind regards,

Lewis Maker
Infrastructure Advisor
