(Resubmission of APP/16/00678.)

In acknowledging receipt of the above application I informed you that the target date for determination of the application was 29 September 2017. Following this a series of extensions of time have been agreed in relation to the application the most recent of which expired on the 14th October.

I am writing to advise you that for the following reason the Council is unable to determine your application by that date and I am writing to request agreement to the period of determination being extended under Article 34 of the Town and Country Planning (Development Management Procedure) (England) Order 2015.

Reason:

- To allow ongoing negotiation and alterations to the proposals seeking to overcome environmental/ecological impacts of the scheme in consultation with Natural England and County Ecology.
- To allow consideration of potential other footpath proposals being pursued separately.

To extend the period please return, signed and dated, the slip below or alternatively please confirm by email within the next 5 working days. If you wish to discuss this request further, please contact me.

Yours sincerely

Mr D Eaves
Principal Planner
