Dear Mr. Oliver,
Proposed LIDL food store, Manor Rd. Hayling Island

I would like to register my support for the proposed LIDL food store at Manor Road, Hayling Island.

Having a large food store in Manor Road (which is not usually busy with traffic) would mean that we wouldn't have to leave the island for a 'big shop' which is what we do at present. Getting out of 'The Island' is not always easy. It would also create jobs for some of the people living here.
Yours sincerely,
