Dear Sir

Proposed Lidl Food Store
Application No APP/17/00656

I fully support having a Lidl
Food Store on the Island for:-

- 1/ Not so much vehicles-traffic
on the narrow stretch of main
Road with cars going off the Island
- 2/ Older people can use the
bus to shop there.
- 3/ More jobs for people living
on the Island.
- 4/ The competition for the other
food shops on the Island

I certainly think the Island
would benefit from having a
Lidl Food Store on it.

Yours sincerely
