Subject: RE: APP/13/00861 Notification of Completion of Work

Dear Sirs

As per our original letter of prior notification approval for a rear extension at 5 Hooks Farm Way, Havant, Hants, PO93DX

I would like to inform the Planning Department that we have now completed the works at the above address.

We have received a 'Certificate of Completion of Work' from the Building Control department indicating that the date of completion was 30th March 2016.

If there is anything else the planning team require from ourselves to finalise this project, would you be so kind as to let us know?

Many thanks to your colleagues for all their help on this project.

Kindest regards

Jonathan & Anna Bannister
