REF no APP/17/0085

Dear Sir/Madam,

Regarding planning
permission 2 Palmers Rd Emsworth
(Resubmission). As first application was
rejected our comments are the same,
Lack of space for building and
extra parking needed, which is
already horrendous. What little
light we have with buildings around
us would be restricted. In original
letter, our neighbour was rejected
permission on grounds :- "would not
fit in with surrounding buildings".
Hope this will be taken into account.

Yours, Sincerely
Roger [REDACTED]
