Dear Ashley,

Dunsbury Hill Farm Adoption

I am writing in relation to our previous correspondence over the adoption of the spine road at Dunsbury Hill Farm.

Hampshire County Council in its role as Highway Authority has a Section 278/38 agreement (reference PT33A/2164) with Portsmouth City Council (The Developer) for the adoption of The Link Road at Dunsbury Hill Farm.

I can confirm that the Link Road has been constructed as per the technically approved design (with Hampshire County Council being the Technical Approval Authority). The County Council intends to adopt the link road provided that defects are addressed and the works completed to adoptable standard and The Developer's obligations in the Section 278/38 legal agreement have been fully complied with subject to any unforeseeable events and The Developers execution of works in a timely manner.

Joe Malone
