COSTA PLANNING APPLICATION  
ERMSWORTH

Dear Sir.

I write in support of the above application. It will bring life and diversity to a village dominated by 7 estate agents and 5 charity shops. I am not alone in welcoming this application.

The Ermsworth Forum is not representing Ermsworth people, and is a small clique of people trying to stain support for a rejection of the application. It does not allow a 'yes' vote in its survey only a 'no'!

I trust the application will be dealt with on its merits

Yours faithfully
