

Havant Borough Council
Planning Services

20th October 2021

Your ref: APP/21/00940

Dear Mr. Speller,

Thank you for informing me about this retro-
spective planning application.

I do not object to the dormer being added to
the property but must comment on two
aspects of design and appearance:

The windows, whilst no doubt answering the
needs of what's inside, look very odd from
the outside.

The grey cladding doesn't correspond with
the rest of the house and would look
better in a cream colour to match the
underlying below it.

Thanking you for your consideration
Yours faithfully
