Dear Mrs Monks,

Many thanks for your reply to our application to have work completed on reducing the crown size of our Yew tree.

We have taken your advice and I spoke to our tree surgeon who previously carried out the reduction on the tree a number of years back.

He has advised us to request that the crown reduction to be all round by approximately 1m and to reduce it back to the previous pruning points as you suggested.

I hope this meets with your approval and look forward to hearing from you with your decision
