

APP/19/00078

18th. February 2019.

Dear Sir,

We believe the pallet store in Falk Rd. should be removed - indeed we don't understand why it was allowed to be there in the first place - a gross error of judgement on somebody's part. This is a residential area NOT an industrial estate. The crashing & banging seems to start earlier & earlier, continues all day, seven days a week. Something positive must be done!

yours faithfully
