Proposed Change of Use
Meridian Centre

Premises used at present
by the Beacon.

Dear Sirs

We are writing to protest about this change of use. We know that you have received a letter from the management of the Beacon, indicating all the facilities that it provides to the Havant community. Some years ago we enjoyed going to the Penshurst coffee morning run by Age UK at the Beacon. Then Age UK closed down and we were all upset, fortunately, after a short time, the Beacon took over this meeting, along with all the other activities it offers.

We wonder why the empty units in the Centre have not been offered to the gym operator.

PTD

2-

Two large shops are now empty -
each with an outside door.!

How many gyms does Havant need?

Yours faithfully
