TO WHOM IT MAY CONCERN :

I have known my neighbour, Mrs **Pauline Hedley** of 32 Langstone Road, for over 30 years, and have been welcomed into her house on many occasions.

I can categorically state that, though she was at one time a Registered Child Minder, the house was never adapted in any way for use as a Nursery.

Mrs. Pauline Hedley and 32 Langstone Road, Havant, Hants

I write to confirm that I have known Mrs. Pauline Hedley and her family for some thirty years during which time she has lived continuously at 32 Langstone Road. While she has undertaken babysitting and child minding for friends in the area, during the time that I have known her she has not operated a nursery at 32 Langstone Road or any other address. The house is, and has been since I have known it, a single residence under Class C3, dwellinghouse, of the Use Classes Order 2015.

To Whom it may concern.

We have lived opposite
Mrs Pauline Hedley for over fifteen
years, having moved here at the
above address in 2000.

In that time, 32 Langstone
Road has only been used as a
residential home.

We have been frequent
visitors to her property during this
time and seen nothing to state
otherwise.

Yours faithfully,

Re : Mrs Pauline Hedley
32 Langstone Road, Langstone, Havant, Hampshire

We moved into Langstone in February 1979 and have known Pauline Hedley as a neighbour and friend from that time.

To the best of our knowledge, throughout this time the house has always been a residential property.
