Dear Planning Services

Re: Your Ref APP/16/00747 9 Lone Valley, PO7 5DZ

I would like to complain regarding the erection of the log cabin. T

Our bedroom on the first floor overlooks this way and therefore we get all the noise with nothing to stop it. We like to sleep with the windows open but close them on these nights,

I imagine this log cabin will be used for social occasions/parties etc and we can see it will only increase the amount of social events that they have and therefore increase the amount of late night noise also, so we object strongly.

We would also like to be kept informed of what the outcome is please.

Yours faithfully

Mrs P Whitehorn
