

FAO Mrs D Haywood, Planning Services.

Dear Mrs Haywood ,
I'm Writing to you to object to the proposal to develop the field off of Westbourne Avenue for housing.

This is a popular recreational area used by the local community and would be a great loss. 46 New build houses on this open green space would clearly be a "Blot on the landscape", not to mention the amount vehicles that would be used.

Westbourne already has a major traffic problem through the village (esp. at weekends) and this would only increase this issue. I feel this would be totally inappropriate and a health and safety concern.

Please do not support this application.

Kind regards
