

Dear Sir/Madam,

Please read
CAREFULLY the enclosed the cuttings
and realize the depth of feeling and
OBJECTIONS to the proposed planning
application of SOUTHERNE.

I object very strongly as it would
spoil a lovely village in conservation area

- 1) ANCIENT MEADOW
- 2) WILDLIFE SIGNIFICANCE
- 3) SIGNIFICANT IMPACT ON TRAFFIC
- 4) RISK OF FLOODING WHEN THE
FIELD IS NOT THERE TO ABSORB EXTRA WATER
- 5) SITE OF SCIENTIFIC INTEREST
- 6) GREEN SPACE WOULD BE GONE
- 7) THERE IS A LEGAL DOCUMENT
(COVENANT) WHICH WAS AGREED BY HAVANT
COUNCIL WHICH STILL STANDS

I hope common sense and not greed
makes the decision to keep this green
space for us all to enjoy.

Yours faithfully,
