

HAVANT BOROUGH
COUNCIL

06 SEP 2019

RECEIVED

Ref APP/19/000729

5th September
2019

Dear Sirs

**Proposal to Build a 3 Bed House
adjoining 12 Dibden Close and to create off Road
Parking spaces in the front garden**

**With reference to your letter of the 15th August re the
above. I wish to protest about the proposed plan for
the above property. My objections are as follows.**

**1. The taking away of the now public parking spaces
in the close. We already have a big problem with the
number of cars being parked in the Close both used
by the residents of the Close and from other car
users in both Hordle Road and Apple Shore Green on
numerous occasions.**

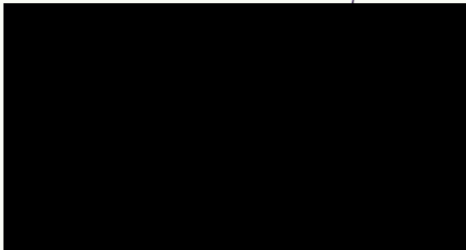

**2. The building of a proposed 3 Bed House will
detract from the general demeanour of the close.**

**3. Another question is the amount of work to be
carried out will cause a lot of mess etc. not only that
the amount of traffic will make life very disagreeable.**

**Having lived in the Close for over 30 years as have
other residents we feel it is not an appropriate
development. Therefore based on other**

**objections being sent I hope that the Council I will
not approve the Planning application.**

Yours faithfully

**PLANNING DEVELOPMENT DEPT.
