4. Description of the Proposal

Please describe the proposed single-storey rear extension.

Removal of an existing wooden framed lean to with plastic corrugated roof panels, and wooden doors which was already in situ when we purchased the property 7th October 2016.

We would like to request under permitted development that a brick built insulated single-storey rear extension be built in its place, incorporating an insulated flat roof with two roof lanterns and a parapet wall not exceeding 3.85 metres in height.

The extension will have 3 exterior brick walls with one window and Bi-fold doors covering most of the rear facing wall.

The extension will protrude out in line with our neighbours (47 Saltmarsh Lane) current rear extension to 4.5 metres.

(a) How far will the proposed extension extend beyond the rear wall of the original dwelling measured externally?

4.5

metres

(b) What will be the maximum height of the proposed extension, measured externally from the natural ground level?
