Re. Proposed Planning application N<sup>o</sup> 3

Burgess Close, Hayling Island

Dear Sir/Madam,

My immediate Neighbours

in Burgess Close, have made me aware  
of the Proposed Development N<sup>o</sup> 3. Why I  
did not receive a letter escapes me. However  
this is a ridiculous application, as there is  
no way 4 parking places could be made.  
The result with this is Roadside Parking.  
which we don't have at the moment, and as the  
Residents are mainly old, there are frequent  
movements of ambulances and patient transport  
vehicles, they would struggle to negotiate  
the road with parked cars. All this with a  
redeveloped house close to an boundaries  
on a small plot make this application  
ridiculous. I await your reply

Yours faithfully
