Order 2015 Site **Address 20 Greville Green Emsworth PO10 7TH**

Proposal Studio building in rear garden.

I moved to [REDACTED] after finding an extremely quiet (totally off the main road area), the perfect forever home. My partner joined me a few years later and we enjoy the environment and surrounding areas.

We have been very keen cyclists until this year. After the pandemic lockdowns

[REDACTED]

we spend more time enjoying short walks relaxing and enjoying our garden.

We are both of the opinion that building a studio of such close proximity to our property ie: fence and back garden for childminding, this would certainly interfere with the peace and tranquillity of our future lives here.

Therefore, we wish to appeal most strongly against this planning application for whatever usage at No 20 Greville Green. As running a business/commercial enterprise in a residential area is a proposal we totally disagree with.

Submitted to you for our views/appeal to be considered.

Yours sincerely
