Dear Madam

Retrospective change of use of garage from residential to use for packaging goods and retention of container for storage at 4 The Gardens, Harant PD92XH (Ref: 18/00383)

Thankyou for giving me the opportunity to comment on the above planning application.

The storage container is visible from my property and its external appearance is out of character with the residential area. Could the appearance of the container be improved or screened from my property?

P.T.O.

With regard to the business activities, if the authorities decide to grant consent, there should be conditions to protect the amenities of neighbouring properties and to prevent intensification of use (e.g. hours of business use and number of deliveries.)

Yours faithfully
