4.0 Conclusion

1.0 INTRODUCTION

Helyer Davies Architects have been appointed by a private client to design a gate into and existing opening in the garden wall.

A full building survey has been carried out by ourselves in 2013. The OS extracts are to show the site location and block plan only.

2.0 SITE LOCATION

2.1 Surrounding Area

The site is located at the bottom of West Street, Emsworth.

Figure 2: Aerial Maps (from Google Maps)

The site is situated within the town of Emsworth in Hampshire. Emsworth is a small, coastal town situated in the south eastern corner of Havant Borough and retains a vibrant District Centre which is well served by both road and rail public transport. The A259 runs through the town and provides access to both the A3 and A27 further to the north.

The historic core of Emsworth town lies to the south of the A259. It has direct water frontage, forms the Conservation Area and attracts many visitors to the town.

Details

SU 7405 HAVANT WEST STREET Emsworth

11/3 No. 5 (Keppel Lodge), including Gateway GV II

House. Late C18, with early C19 alterations. Brick, stucco front, tile roof. Symmetrical roadside elevation of 3 storeys, 3 windows, with quoins, plinth, architraves (plain and eared to the 2nd floor moulded to 1st and ground floor). Sashes in reveals (Victorian to the ground floor). The west gable and wing contains the entrance, approached by steps and a stone-paved path: doorcase with modillion pediment, broken cornice above pilasters, flush-panelled reveals, 6-flush-panelled (2 top-glazed) door. The gateway through the brick boundary wall is of cast-iron, with short side rails, openwork piers, and single gate. The north side of the west elevation has brickwork and some stone walls, with sashes, a 1st floor splayed bay, and a ground floor ½-glazed door, and tile roofing with a brick dentil eaves.

2.3 The Site

The site is accessed from West Street and is approximately 560m²

3.0 DESIGN

3.1 Proposals

A gate into the existing opening to match the style of the existing pedestrian gate.

3.2 Impact on the Listed Building

The proposed gate will not adversely effect the setting of the building and is removable.
