Comment Reasons:

Comment: I am writing on behalf of my elderly [REDACTED] mother who is very upset with the plans proposed for 15 Oak Tree Drive. She feels as if her daughter does that she will lose a lot of light in her house and it will detract the look of her house. I believe a more comprehensive objection will be coming to your department before the 5th of September as I have not read or received a copy of planning request. I think the Youngmans were hoping no-one would read her mail as I visited her at the beginning of the month.
