

To who this may concern,
I can confirm I have know
this piece of land in question
for over 20 year's or more.
I often visit Hayling Island
on a weekly basis collecting
scrap metal. I have always
know and seen 1 or 2
caravans on this site for
as long as I can remember,
as I have also collected
metal from the owners
before who owed this
site as it seemed to be
used as a leisure site then
they had caravans on.
