Dear Sirs

**23 Newlands Road Purbrook PO7 5NF
(GEN/21/00714)**

Further to your response regarding the above, I enclose my Planning Application. The main external material for the proposed extension is facing brickwork to match existing, with a matching roof tile to the roof cover.

May I confirm that the main part of the front elevation is an extension to the existing Living Room and not an additional room.

Yours faithfully

Edward Caush
