[REDACTED] re a planned extension at 14 Hurstville Drive. We would like to make it clear that we do not object in principle to the extension but we do object to any feature, ie the proposed first floor balcony or any similar feature that puts in danger the quality of the privacy in our home or garden. We have an arbour with table and chairs at the back of the garden, where we spend a lot of our time, when the weather allows us to. Also the rotary line is situated there and any activity such as general gardening would be compromised if the proposed balcony plan or anything similar went ahead. We were ourselves denied such an extension, all be it 20yrs ago, because it would encroach on the privacy of our neighbours. Also our neighbour at 18 Hurstville Drive had to comply with many rules recently to ensure his neighbours privacy. Will be happy to

gratitude for the planning officer calling today and making us aware of the situation. A major slip up on our part for not keeping an eye on things ourselves. Regards Jean Cheshire (Mrs)
