Dear Sir/Madam

**Re: Town & Country Planning – 125 New Brighton Road, PO10 7QS
OBJECTION**

We would register our objection to the proposed variation of Condition 3 of the previous Planning Permission reference 95/59718.

We object on the grounds of the additional noise that will be generated on the proposed two Saturdays each year.

The pre-school children can already play outdoors between 10:00 & 12:00 and 13:15 and 15:15 each weekday, which we accept. However; they make a considerable amount of noise, including some high-pitched screaming, in the play areas [REDACTED]

Frequently, we have to return indoors until the noise abates when the children return into the centre.

We are aware that local primary schools manage open mornings and/or afternoons with information sessions for prospective parents **without** resorting to weekend opening.

We value the amenity of our rear garden and the relative peace at weekends and Bank Holidays.

Yours faithfully,
