HAVANT BOROUGH COUNCIL

Dear Sirs,

With reference to the proposed application for a
Branch of LIDL on Manor Rd :-

I have no objection at all, as I for one
travel off the island for a major (food shop) as
prices are far too expensive as far as I'm concerned and
feel traffic inconvenience very minimal

Trusting that you grant approval for application
(APP/17/00656) as finances are tight for many
families, and think it would benefit the island
generally

Yours sincerely

M. D PERKINS
