Souborne Drive.

Leigh Park. Havant.

Hants PO9 5NP

Dear Sirs

I have just received your letter about 'front lawn recreation ground'

When all this proposal began we attended a meeting in the bowls Club at front lawn. On looking at the plans we realised our life would never be the same and we voiced our disapproval of it. we took a representative out into the tennis court and showed them our front door and kitchen and lounge windows we are so close to the tennis court that the flood lights and horrendous noise that the youth will create will have a massive detrimental affect on our lives. Our lounge is overlooking the tennis

Courts and I will be unable to have my front door open in the Summer or open my windows or even sit in my lounge and watch television or read a paper in peace. When we attended the meeting we realised that we were wasting our time as we felt it was "already cut and dried" so we suggested that the Tennis Court be made into the car park and the floodlights and all weather court be put over the other side of the park where it won't affect people's lives and health. I do not own a computer so can not "go on line" as you suggest. I know I'm just a little "nobody" in your great scheme of things but I'm still a person who is entitled to a quality of life in my own home.
