Dear Mrs Crawford,

Re APP/19/60902

With reference to the above planning application for 18 Cavendish Drive, Waterloo I would like to object to the proposed balcony. This will clearly be used for entertaining/partying and I feel our privacy will be encroached upon and become potentially intimidating with people in an elevated position being able to look into ours and other neighbours gardens. Being overlooked from windows is generally acceptable but a balcony is a totally different and unacceptable prospect. Another aspect would be any noise generated would travel further and be more invasive than if it was just contained at ground level in the garden.

Yours sincerely
