Dear Sirs,

RE: Application No.APP/17/00656 – Proposed Lidl Food Store, Manor Road, Hayling Island

Whilst I have signed a petition, I felt that I should personally write to you to say that both my wife and I support the application by Lidl's. It is my belief this may reduce the number of people leaving the Island to shop and therefore to some degree reduce the pressure on the only road on and off the Island, it will also make competition for those already on the Island.

Yours faithfully,

P.B. Gooch
