Dear Ms Stewart.

Thank you for your letter of the 6th April, concerning the application to reduce the 3 Holm Oaks subject to a TPO 1388, I support this work as the holm oaks that form part of the hedge between the gardens of St Catherines Court and the footpath along the Sea Front Road are overgrowing the footpath and making it difficult for pedestrians to pass each other without getting very close to the pavement edge with subsequent danger from traffic in this narrow part of the road.

This growth also makes it difficult for motorists departing from St Catherines Court and Token House 388 Sea Front next door to see oncoming traffic approaching from the westerly direction.

Yours Sincerely
